

Manufacturer of fine brushes since 1935

BÜRSTENHAUS REDECKER

TRADITION AND MODERNITY IN HARMONY

The first handcrafted Redecker brushes were produced in 1935. A lot has changed since then. Today, the name Redecker stands, as it has for many years, for an ideal combination of natural quality, function, and design. It lives from our very own blend of inventiveness, sound craftsmanship, and creativity.
